

Artefiletická dílna – Lost painting

List of basic terms

Artephiletic concept: content unit which a child is able to manage (name, create, perform, feel, share with others ...).

Basic types of concepts:

Thematic: what is it? What is it about? What can I name?

Emotional: „what do I experience“ „what do I feel“

Empathic: „what can I share“ (every child can have different emotions)

Constructive: „how to show it“, „how to perform it“, „how to do it“

MAIN PART: “LOST PAINTING“

Thematic: PAINTER – PAINTING – COLOURS – LOOKING FOR THINGS – FINDING THINGS

The teacher narrates a story about a painter who forgot what he wanted to paint and why. The children choose a piece of a picture (from a newspaper, magazine) and try to complete the painting.

Constructive: sticking the piece of a picture on a paper, using phantasy to reconstruct the painting, creating own pictures

Emotional: how did you like painting? What didn't you like?

Empathic: tell the others, what paintings you created and why?
